

Selected Customers

SoftPLC Corporation's products have been proven to handle a broad range of machine and process control requirements in demanding installations throughout the world. SoftPLC products -- controllers, I/O, HMI/SCADA, protocol gateways and industrial communications -- have been used in a diverse range of applications:

- ◆ Discrete Manufacturing - automotive, textiles, semiconductors
- ◆ Wood/Paper - sawmills, plywood/OSB, batch processing
- ◆ Utilities - power generation & distribution, water/wastewater treatment
- ◆ Food/Beverages - packaging/bottling, processing
- ◆ Material Handling
- ◆ Building Automation
- ◆ Materials - metals, plastics, glass, cement
- ◆ Process Controls - oil and gas, chemicals
- ◆ and many others

The table below lists only a small sampling of our many thousands of customers.

3M	Friskies (Nestle)	Pacific Shrimp
ABB	GBE Tobacco	Panasonic
ADM (Archer Daniels Midland)	General Motors	Panduit
Aerojet	Georgia Pacific	Parker-Hannifin
Alcoa	Honda	Pepsico
AMP Manufacturing	IBM	Polar Brewery
Arcelor-Mittal	Imperial Tobacco	Proceco
Artichoke Industries	Intelligrated	Quest Diagnostics
Automted Technologies	International Paper	Raute Wood
Boeing	Johnson Controls	SABIC Plastics
Boise Cascade	Justice Systems	Sandia Nat'l Labs
Boston Scientific	Kimberly Clark	Schenck
Bowater Nuway	Kodak	Schultz Steel
Coca-Cola	Kohler Coating	Shop-Vac
Cypress Semiconductor	Kraft Foods	Smurfit Stone
D'Alma Textiles	LaFarge Cement	Sonsub
Detroit Diesel	Lockheed Martin	Toyota
Detroit Edison	Mennell Milling	United Milk
Disneyworld	Miami-Dade Water & Sewer	UPS
FedEx	Multiform Technologies	US Army Corps
Ford Motor	NW Natural Gas	US Post Office
Forest Products Machinery	Optera	Valesul Aluminum
Formosa Chemical	Owens Corning	Weyerhaeuser
